THIS WEEK'S STORIES

FROM ONE-ALL TO THEIR FALL

Haberfield pulled a rabbit out of the hat for another great win.

WINNING STREAK FOR HABERFIELD JUNIOR NETBALLERS CONTINUED

The Haberfield junior netballers have won yet again in a game against the tough Strathfield South.

Haberfield pulled a rabbit out of the hat for another great win.

Haberfield: 6 Croydon: 2

With both teams getting some good chances in in the first half, the half time score was locked at one all.

Even though it was even at the start, Haberfield changed the momentum and scored some great goals via Adam, Shiv and Jackson during the second half.

Haberfield put some nice long balls and worked as a team whilst Croydon worked hard and used the offside rule fabulously.

“They [Croydon] played really well and made most kicks count,” Haberfield’s fullback Riccardo said.

Haberfield were proud to come up with 5 goals in the second half but are still keen to improve for next week.

“In this week’s training session we need to work to improve our off-side rule,” Mr Marrone, Haberfield’s coach said.

The Haberfield junior netballers have won yet again in a game against the tough Strathfield South.

Haberfield: 9 Strathfield South: 5

Terrific shooting from Maddie and Pieta together with Amelia’s exceptional defence helped to seal yet another win for Haberfield’s junior netballers.

“The other team had very tough defence and at first we found it hard to keep the ball down our end. In the second half something seemed to click and we played the best we have all term,” Junior netball shooter, Pieta said.

Strathfield South smashed Haberfield’s winning lead

Haberfield’s Junior A soccer team was left devastated after an intense game against Strathfield South as their unbroken winning record was destroyed.

The first round was tough as Haberfield’s A team struggled to outscore the Strathfield South.

For a long time the ball was kicked back and forth as each teams’ put up a strong defence.

The A team tried relentlessly to score but all their attempts were in vain as the South Strathfield goalkeeper stopped every one of them with her amazing clearing kicks in the air.

Despite their efforts, the first half ended in nil all.

The pressure was on in the second half as Haberfield’s A team battled to break the nil all deadlock. They threw all their plays at South Strathfield to try and win.

“They were a very strong team,” said Rose, a Haberfield soccer player said.

With the clock ticking down, tension filled the air as Strathfield South moved in closer for a goal.

They kicked and the ball went in, the dreaded whistle signalling a goal.

The game ended with 1 nil Strathfield South's way.

The A team were not fazed though and are determined to win next time.

Strathfield Girls Junior B Team was strong but not strong enough to slip in a final goal and provide them with the win.

The Haberfield team had a stronger defence but Strathfield had the stronger front players.

Flashes of gold, blue and white blurred the field as the game grew intense.

By the second half Haberfield and Strathfield players had become tired and the opportunities for a goal were running out.

"It was an easy game but we need to work on our defence a little bit more," said a Haberfield player.
